For the respectful **Reseau Canoe Club**

To whom it may concern,

Ukrainian Canadian Social Services, Ottawa branch, are enormously thankful for your most generous contribution to the displaced children's summer camp "Soniashnyk".

We highly value your humanitarian support that able us to provide recreational activities for the children effected by this unjustifiable, destructive, genocidal war of russian tyranny against the people of Ukraine.

You have offered to those children an unforgettable Canadian summer experience, helping them to recover from stress of relocation and uncertainty.

We sincerely thank you, each and every member of your Club, for genuine care, and love making a difference in the innocent life of the child.

Despite of the variety of offered activities most of our children admitted that the canoe experience was favoured and loved immensely. Please accept our kindest appreciation,

Cordially,

Maryna Popovych, Mike Ryndzak, Nazar Pasika, on behalf of UCSS Ottawa
